Re: Katrina Hurricane Response

Dear Roy,

On behalf of the Jacksonville Chapter of the American Institute of Architects, I would like to express our appreciation to you and to Autodesk, Inc. for making available temporary AutoCAD licenses for use by displaced hurricane victims.

This gracious donation will assist our member firms in making available temporary employment for our AIA member colleagues from Florida, Louisiana and Mississippi displaced by Hurricane Katrina. Your efforts on behalf of AIA, AIA Jacksonville and the affected communities are greatly appreciated.

Yours very truly,

Lewis E. Everline, Jr. AIA
President
