

ERVIN LOVETT & MILLER

April 14, 2005

To Whom It May Concern:

Roy Buncome has been providing computer and technological consulting services for Ervin Lovett & Miller for the past year. During that time Roy has provided excellent service and has improved our firm's capability greatly. We have upgraded our productivity capability which has allowed our staff to work more effectively.

Without reservation, we would highly recommend Roy Buncome for computer and information technology consulting.

Sincerely,

ERVIN LOVETT & MILLER
